

Fripp Island Friends of Music  
217 Tarpon Blvd.  
Fripp Island, SC 29920

We, the Fripp Island Friends of Music, are happy and proud to present our 39th concert season to the Beaufort community and beyond, yet another exciting season of live music performed by world-class musicians of all kinds (pianists, singers, guitarists, flutist, trios, and more), playing music of all kinds (classical, country, jazz, blues, popular, and more), music that “goes in the ears straight to the heart.” We will offer five concerts, one a month, starting in October, on a Sunday afternoon at 5:00 pm. After the performance, the audience is invited to a reception, catered by Harold’s Chef Services, where they can meet the musicians.

On Monday morning, following the concert on Fripp, the musicians bring their music to the students of one of our Beaufort County school. This is a major project of FIFOM’s Music-in-the-Schools program, which also helps fund aspiring musicians’ individual lessons, schools’ music classes, and students’ musical groups.

Our success as a non-profit organization has made us eligible for grants from the South Carolina Arts Commission (SCAC), which help us with operating expenses, but must be matched with local donations.

None of this would be possible without the support of our members, of our corporate contributors, and of YOU, our Advertisers. Your advertisement will appear in our season’s program brochure; and we can assure you that our audiences patronize our advertisers.

We ask you to support the Fripp Island Friends of Music and our Music-in-the-Schools program by advertising your business in our concert brochure.

Our advertising rates:
