

Fripp Island Friends of Music Concert Notes

- For those of you who are coming from outside of Fripp Island, please advise the security gate that you are here for a Friends of Music concert. The concerts take place in our chapel, which is part of our Community Center building, about a quarter mile past the guard gate, on the right.
- Please arrive between 4:30-4:45 to park, check in and be seated (seating is first come)
- For all members, your name will be on our subscriber's list at the check in desk (which will either be in or just in front of the building, depending on current Covid protocols) - no tickets needed
- Plan to wear your mask throughout the performance and while indoors
- Performances typically run from 1 - 1.5 hours
- Refreshments will be provided outdoors on the deck immediately following the concert (as restrictions ease, this may resume indoors)
